During your Disneyland® Resort visit, collect photos from Disney PhotoPass® Photographers at participating locations. Once you're ready to download, link all your photos to your account and activate them using the Product Code below. (Photos expire 45 days after they are captured.) Activate your product code using these easy steps:

- 1. Visit [Disneyland.com/PhotoPass](https://disneyland.com/PhotoPass) & register or sign in*
- 2. Go to Link Photos and link any Disney PhotoPass Cards or Photo IDs you collected during your visit*
- 3. After you've linked all your photos from your visit, return to the Link Photos page and in the box, enter the 16-character Product Code*
- 4. All active photos in your account will now be available for download. Please note that the code above is a one-time use Product Code. Make sure you have linked all your photos from your visit and you're ready to activate prior to entering the code. Photos added to your account after activation are not included but can be purchased separately.*
